

Audio Visual Requirements

Debbie Castagna & Virginia Moore

The Practice Source

www.ThePracticeSource.com

Audio Visual Equipment

1 computer projector

1 screen—size appropriate for room and audience, positioned to the audience's right.

Microphones

2 wireless lavalieres

Audio output

Audio output to the room sound system from our laptop

Podium

We will not need a podium.

Please note: If the lecture room seats more than 350 people, please provide a riser at the front of the room, center stage.

Thank you!
